Mid-Afternoon Day Camp is designed for children that have time to play tennis during the day in lieu of public-school hours. It's a great way to have the kids play tennis while the parents are at work. Each student receives personal attention, advanced teaching techniques, intensive drill work and game/match play, all in a fun and competitive environment. We break the players into small instructional groups of similar age and ability so each child is working in a group with their experience level. We tailor each program to the level of the players. Beginners would get a heavier dose of swing technique and fundamentals, while more advanced players would have more focus on strategy, point building and percentage tennis. The day camp is split into two different groups: All Star Day Camp is for kids 10 years old and under & Prep Day Camp is for 11 years old and up.
